1. the Declaration and Power of Attorney for Patent Application executed by the inventors; and
2. the required copy of the above-mentioned "Notification" to be returned with response.

The Notification of Missing Requirements indicates that an English translation of the application is required. Please note that when the national phase for PCT/DE2004/001571 was initiated on January 12, 2006, an English translation of the application was forwarded at that time, along with a Preliminary Amendment.
